

Sun Sol Sole Soleil

No matter what you call the sun; sunshine means life & energy.

The Sun provides free

- ☀️ **Photosynthesis to produce fruits, vegetables, & all sorts of edibles while producing oxygen,**
- ☀️ **Vitamin D in our skin (but be sure to use sunscreen & avoid over exposure),**
- ☀️ **Seasons, weather & tides,**
- ☀️ **A dependable source of energy to run our homes, offices & industry.**

Learn more about the benefits of solar energy & how to harness it for clean air & sustainability at the NM Solar Energy Association's Solar Fiesta on September 11-12 10 am -5 pm at the Menaul School located at 301 Menaul NE (near Broadway) Visit www.nmsea.org for more information.
