

# MAY IS CAR CARE MONTH

IS YOUR CHECK ENGINE LIGHT ON?

- ❑ **Your vehicle may not be operating efficiently.**
- ❑ **Your vehicle's gas cap may be leaking gas fumes into the air we breathe which generates Ground-level Ozone or smog.**
- ❑ **An emission component may be failing.**
- ❑ **It will only get worse & cost more to repair, the longer you wait to fix it!**

**Take your vehicle to an Air Care Station for a check-up.**

**Call 764-1110 or visit [www.cabq.gov/aircare](http://www.cabq.gov/aircare) to locate a test station near you.**

Martin J. Chávez, Mayor

**Environmental Health Department  
Air Quality & Vehicle Pollution Management Divisions**

Notice to persons with disabilities: If you have a disability and require special assistance, please call 311 (voice). TTY users please call the New Mexico Relay at 1-800-659-8331.

John W. Soladay, Director
