Subject: 2011 Amendment to the Uniform Traffic Ordinance (UTO)

Attached you will find the single amendment to the Uniform Traffic Ordinance enacted by the 2011 Legislature. We have included the description of the change in legislative style and provided you with a replacement page for the 2010 Compilation of the Uniform Traffic Ordinance. Please disregard this memo if your municipality has not adopted the UTO.

The only change is a word change in Article I (Section 12-1-2.1) in addition to the 2011 Cover Page. As you can see from the legislative style, the words "parking space" are replaced with "access aisle" in that one section.

**Remove pages:**

I-3 & 4

**Replace with new pages:**

2011 Cover Page  
I-3 & 4

We are sending this change to the Municipal Clerk in order for you to put the adoption procedure in process. **Please remember: this change must be adopted by ordinance since the UTO has been adopted as an ordinance. This means your municipal governing body will have to adopt the change as it would adopt any other ordinance. This requires publishing or posting at least two weeks prior to adoption of the proposed change to your UTO.**

If you have any questions, please do not hesitate to contact us here at the League. Thanks for your cooperation.
