

Home Delivered Meals

The Corrales Senior Center has been providing Home Delivered Meal service for the past 17 years. We have received many compliments from the clients and their families for this service. We are now registering senior citizen clients age 60 and above for Home Delivered Meals. This service includes a hot meal, which meets one-third of the recommended dietary allowance delivered to the client's home Monday thru Friday and a packaged (frozen meal) for Saturday and Sunday. This also gives the caretaker a little sense of comfort knowing that a staff member can look in on the client if the client is home alone. The major part of qualification is that the client is limited to or cannot get out of the home due to a mental or physical illness and they must be a senior 60 years of age or above. The suggested donation for this meal is \$ 2.00. While donations for services are not required, they are gladly accepted and allow the programs to continue providing services. If you or someone you know of could benefit from this service please call Dolores or Angela at 897-3818 to set up an appointment for a registration/assessment to begin receiving this in home service.
