

Education, Community, and Arts Multi-Use Center

The Village is working on a design for a multi-use facility that could be used for various education, arts, and community activities. The building will sit on the Jones property off Double S Road, west of the post office and north of the recreation center, as seen in the photo above.

Comments regarding the design can be sent to the Village Clerk at [mromero \[at\] corrales-nm.org](mailto:mromero[at]corrales-nm.org).

The design was created by the ACE committee, which started as the Performing Arts committee, based on input from many local organizations and groups. Minutes from their meetings can be found below. A new Multi-Purpose Committee was convened in September of 2023 to get further public input on the design that can then be used to create construction documents. Their meeting dates and times can be found by visiting the "Village meetings" tab at the bottom of the home page and looking for "Multi-use Facility Committee Meeting". Recordings of their meetings can be viewed on the Village of Corrales' YouTube page: youtube.com/channel/UCa_hvekuMBV-PhnUifsr1KA
